

**ARE YOU
KEEPING
YOUR BUSINESS
& PERSONAL
FINANCES
HEALTHY?**

Medicine is a rewarding career. But often, the challenges and demands of your profession call for special financial planning solutions.

I understand how your business and personal goals are connected and can identify key opportunities for both with our unique *Dream > Plan > Track >*[®] approach to financial planning.

To discuss how an integrated financial plan can help your practice stay financially healthy, call 516-228-0100 today.
