More than 38 years ago, Rollin King and Herb Kelleher got together and decided to start a different kind of airline. They began with one simple notion: If you get your passengers to their destinations when they want to get there, on time, at the lowest possible fares, and make darn sure they have a good time doing it, people will fly your airline. And you know what? They were right.

What began as a small Texas airline has grown to become one of the largest airlines in America. Today, Southwest Airlines flies over 100 million passengers a year to 66 great cities all across

the country, and we do it more than 3,200 times a day.

The mission of Southwest Airlines is dedication to the highest quality of customer service delivered with a sense of warmth, friendliness, individual pride and company spirit.

Valentino's on the Green

201-10 Cross Island Parkway, Bayside, NY 11360
718-352-2300, Fax: 718-224-2806

Giorgio Kolaj and his partners in Valentino's on the Green, the much-anticipated restaurant and banquet hall on the grounds of the Clearview Golf Course in Bayside, are creating a canvass on which you can paint your perfect intimate dinner, gathering of a few friends or an event with all those you hold dear.

From the Valentino Room, the familiar hideaway for up to 60 people that features the well-remembered mahogany paneling, well-stocked bar, baby grand piano and fireplace - to the bridal suite and banquet hall for 250, the partners are sparing no expense

to assure that in Kolaj's words, "everyone will feel that it was worth the wait."

When the Parks Department first offered the site for franchise in 2008, they insisted that the new operator invest over \$800,000 to upgrade the facility to meet modern standards. "We've gone far beyond that," Kolaj assured.

In fact, nearly \$3 million has been invested in improving or restoring every aspect. "Every pipe, wire and fixture is new," he remarked. A recent tour of the nearly-completed facility reveals the extent to which Valentino's is a labor of love by the management.
